**Be a part of Pacetti Bay Middle School!**

We are offering our own Wildcat families and local businesses the opportunity to become a PTSO partner. All tax-deductible donations are directly used to enhance the learning of all students. Supporting Pacetti Bay Middle School through the business partner program allows the community the opportunity to thank local businesses for supporting our school by patronizing these businesses.

**School History**

This year, Pacetti Bay Middle School is celebrating its 12<sup>th</sup> anniversary. We have over 1500 students with a growing population. The students reside in a wide geographical area that includes the neighborhoods of Palencia, Kensington, World Golf Village, and the SR-16 corridor.

Pacetti Bay Middle School just received an “A” rating for the 11<sup>th</sup> consecutive year as measured by the Florida Department of Education! PBMS continues to be a top performer in the state of Florida and Nationwide.

**Business Partnership**

Please take advantage of this wonderful opportunity to support our school as soon as possible as advertising space is limited. Please review the different partnership levels to determine which level best suits your needs. The partnership levels are a general outline used to build the framework for a partnership with Pacetti Bay Middle School. Non-monetary donations are also accepted and greatly appreciated.

Thank you for taking the time to review our business partnership program. We believe advertising your business through Pacetti Bay Middle School to be very worthwhile for your business and our school.
